# Save Streatham Hill Theatre

The Friends of Streatham Hill Theatre have launched a crowdfunding campaign to save this magnificent building for the community. The theatre was granted a Grade 2 listing in 1994 and it is near the top of the Theatres' Trust Theatres at Risk list.

In 2018, Lambeth Council approved The Friends' nomination of Streatham Hill Theatre as an Asset of Community Value (ACV), which was then appealed by the owners. After a flashmob

demonstration of support by over 1000 people in November 2018, ACV status was confirmed in early 2019.

Friends' Chairman, David Harvey, says "There is no local creative hub on the scale that could be created by reawakening this amazing empty theatre – it's the only building left in Streatham large enough for the community to come together." The Theatres' Trust has given Streatham Hill Theatre its highest ranking for community value and

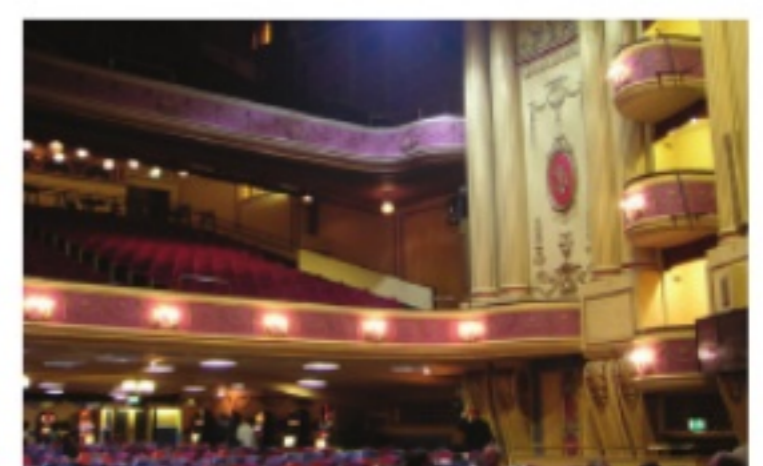

potential use for performance. The Friends of Streatham Hill Theatre propose a multi-use arts and cultural centre by re-opening the auditorium, bringing back live performance, and activating ancillary spaces to create a vibrant and sustainable venue.

The first step is to fund a viability study developing proposals and options. It will include revenue, modelling, and restoration and reopening costs. Lambeth Council's Investment and Growth Strategy for Streatham commits the council to "exploring opportunities for Streatham Hill Theatre"
